Profile

I'm fluent in a number of programming languages and frameworks. I can take a project from the design stages to development and implementation. I pay close attention to detail and capable of troubleshooting and debugging any problems that may emerge. I can work both alone and as part of a team, and I'm continuously learning and staying up to speed on the newest technology and best practices in the area.

Education

B. Tech (9.34/10 CGPA)

SRM Institute of Science & Technology

2020 – present
